

KMR ONLINE

The Kansas Music Review is going ONLINE!! KMEA has a fabulous team working to make the online dream a reality.

This year, every KMEA member will receive copies of the KMR publications in the mail. Members will also have access to read an interactive, on-line version.

Online versions will be made available to you at www.ksmea.org . Once the online versions have been made available, you will be encouraged to answer some survey questions (very brief).

MAKE SURE YOU CHECK THIS LINK OUT BEFORE FEBRUARY and contact your district president at president@sckmea.org if you have questions. The decision to either keep the published version or adopt the online version will be brought to a vote at the KMEA In-Service Workshop in February, 2012.
